DONATION FORM

The Australian Script Centre is a non-profit organisation that has been collecting Australian playscripts since 1979. There are more than 1500 unpublished scripts in our collection (900 are actively distributed to theatre practitioners, universities and schools), representing the work of over 500 Australian playwrights, many of whom have won awards for their writing. The ASC is something of a rarity – a regionally-based arts organisation with a national brief to protect, build and provide access to an important and unique cultural resource.

Donations are **FULLY TAX DEDUCTIBLE** and will be used towards building, protecting and increasing access to the script collection.
